## Bag Size

- 2 person - fits up to 6'6" / 198cm

## Pad Size Needed

- Doublewide Pad: 50" x 78" / 127 x 198cm,
- Two Single Pads: 25" x 78" / 64 x 198cm

## Rectangular pad recommended

## Features

- Big Agnes System Bags are designed to attach easily to your sleeping pad, allowing you to comfortably roll around inside without rolling off your pad – pads sold separately
- Designed for two people, Big Agnes Doublewide System bags eliminate the need to zip two bags together
- Easily connect bag to your pad with stretch construction Flex Pad Sleeve
- Integrated pad coupler works with a doublewide pad or two single pads side-by-side
- Use the top corner hand pockets to wrap the bag around your shoulders like you do with your comforter at home
- Improved shell fabric and lining with PFC-free water repellent finish
- Easily un-cinch the hood with one hand using low-profile cordlock
- Seal out drafts by cinching insulated tube along upper hood opening
- Pillow stays in place throughout the night with integrated Pillow Barn
- More wiggle room for your feet with free range footbox
- Double zippers allow entry from either side of bag; when unzipped, top of bag can be used like a comforter
- No-draft collar, no-draft wedge, and no-draft zipper, no-draft center flap
- Secure sleeping bag liners with interior fabric loops and easily hang dry or store bag with exterior loops, plus storage sack & stuff sack included

## Materials & Construction

- Shell: Polyester rip-stop fabric featuring a PFC-free water repellent finish
- Lining: Soft and cozy polyester lining
- Insulation: Fireline™ Core Synthetic Insulation is a multi-denier, hollow core insulation that provides loft, structure, warmth and durability.
- 2 person - fits up to 6'6" / 198cm
- Two 65" #5 zippers
