Wiley X has earned the distinguished designation of being ISO 9001:2015 certified. This verifies that our production processes and products meet the highest quality standards.

ABSOLUTE. PREMIUM. PROTECTION.

Tactical protection. It's in our DNA. Wiley X was born on the battlefield more than 30 years ago. Since that day, we made a commitment to become a global leader in the research and development of protective eyewear and gloves for military and law enforcement personnel. As a result, Wiley X's high performance products have become standard issue with the U.S. Army, Navy, Air Force, Marines and militaries worldwide.

In our state-of-the-art lens cutting and R&D lab at world headquarters in Livermore, CA, we safeguard the optical precision and protective qualities of our eyewear and gloves are of the highest standard in the world. Elite military and law enforcement professionals who have counted on Wiley X for three decades deserve no less.

All Wiley X tactical eyewear models continue to meet the highest ANSI safety standards and/or stringent military ballistic impact standards. We believe continual improvement isn't just a goal; it is a requirement. This means, when it comes to the entire line of Wiley X ultra protective eyewear and gloves, the next pair you get will be better than the last pair you received.

TECHNOLOGY

ANSI / BALLISTIC

ANSI HIGH MASS IMPACT TEST

Wiley X ANSI tested frames and lenses must withstand the weight of a 1.1 lb. pointed projectile dropped from a height of 50". That pretty much ensures they'll stand up to any tough conditions you may encounter.

VO BALLISTIC TESTS / ANSI HIGH VELOCITY IMPACT

Frames and lenses must withstand the impact of a .25" diameter steel ball fired at 150 fps (ANSI) or .15 projectiles fired at 640-660 fps (spectacle VO Ballistic). Goggles must withstand .22 projectiles fired at a rate of 550-560 fps. This ensures our lenses and frames are practically indestructible.

WILEY X SHOOTS FOR A HIGHER STANDARD

When it comes to our troops and law enforcement officers, no amount of protection is too much. As an ISO 9001:2015 business we meet a higher standard than competitors' "marketing claims." Per required government specifications and as outlined by ISO 9001:2015 and ANSI Z87.1 standards we continue to meet the government's highest Ballistic Impact Standards.

Select Wiley X products meet or exceed MIL-PRF-32432(GL) VO Ballistic Impact Standards for spectacles and goggles. MIL-PRF-32432(GL) requires a spectacle to withstand the impact of a .15 caliber fragment fired at 640-660 fps, and requires a goggle to withstand the impact of a .22 caliber fragment fired at 540-560 fps.

WILEY X PROTECTIVE EYEWEAR MEETS ANSI, EN166 AND MILITARY VO BALLISTIC STANDARDS

OPTICAL CLARITY AND ACCURACY

Meeting stringent ANSI Z87.1 standards isn't only about protection; our eyewear is tested to ensure optical clarity and accuracy from the center of the lens out to the periphery.

LASER OPTICAL TESTING STATION

THE WILEY X FACTOR: SHATTERPROOF LENSES. DURABLE FRAMES. WELL PROTECTED ARMED FORCES.

Virtually Unbreakable
Triloid Nylon Frames

Ultra Foam™ and Facial Cavity™

Lenses

LENS TECHNOLOGY

Not only do Wiley X lenses withstand tough ballistic impact tests, they also meet ANSI optical clarity standards. All Wiley X lenses block 100% of the sun's harmful UVA and UVB rays (up to 400 nanometers). The difference between Wiley X lenses and ordinary lenses is noticeable. It's also certified by rigorous ANSI testing.

RESOLVING POWER (CLARITY)

Ordinary lenses can distort objects viewed from a distance. As measured in tests utilizing the NBS Pattern 20, Wiley X lenses provide a clear view.

REFRACTIVE POWER

Inferior lenses can alter the true size of objects, as if looking through another person's prescription lens. Wiley X ANSI safety rated lenses maintain true relative object size.

PRISMATIC POWER

It is common for ordinary lenses to bend light, causing focal objects to appear off center. Wiley X ANSI safety rated lenses provide a true spatial relationship of objects in the field of view.

LENS ANATOMY *Polarized available in select styles.

-  **SMOKE GREY LENSES*** Maximum glare reduction. Won't distort colors. Excellent in bright/glare conditions. Light transmission: 14%-20% depending on frame style, 12%-14% Polarized depending on frame style.
-  **CLEAR LENSES** Maximum light transmission. See precise color values. Hazy or overcast, dusk/dawn conditions. Light transmission: 89%.
-  **SMOKE GREEN LENSES*** Maximum glare reduction without distorting colors. Great for general daytime use. Light transmission: 13% Polarized.
-  **PALE YELLOW LENSES** Best light enhancing lens tint. Enhance contrast in low to extremely low-light conditions, haze, etc. Light transmission: 86%.
-  **LIGHT RUST LENSES** Filters out most blue light waves, the chief component of glare and haze. Enhance contrast in medium to low-light conditions. Light transmission: 60%.
-  **LA™ LIGHT ADJUSTING SMOKE GREY LENSES** Darken as the brightness of the sun dictates. Maximize optical clarity. Light transmission: 85% to 17% (in sunlight).
-  **VERMILLION LENSES** Are best for medium to low-light conditions. Sharpens contrast and brightens targets. Light transmission: 50%.
-  **2-LINE LASER LENSES** Single laser frequency protection.
-  **3-LINE LASER LENSES** Multiple laser frequency protection.

WX TECHNOLOGY

-  **BALLISTIC** Meets and/or exceeds MIL-PRF-32432(GL) standard for spectacles and goggles.
-  **RX READY** Wiley X frames can accommodate specially designed prescription lenses. Ask your Account Representative for more details.
-  **ANSI HVP** Meets and exceeds ANSI Z87.1 high velocity impact safety and optical standards.
-  **FILTER 8** Our proprietary Polarized lens technology adds 100% polarization to 100% ultra violet protection for unequalled clarity and contrast.
-  **REMOVABLE** Our Wiley X patented removable Facial Cavity™ Seal blocks out wind, debris and peripheral light.
-  **EN 166** The European standard for withstanding small objects traveling at high speeds, and in some cases, extreme temperatures and robustness.
-  **AUTHORIZED PROTECTIVE EYEWEAR LIST (APEL) APPROVED** Authorized Protective Eyewear List (APEL) Approved.
-  **UPLC** Universal Prescription Lens Carrier (UPLC).

A full-page photograph of a soldier in a green uniform crawling through a trench. The soldier's face and uniform are covered in mud. He is wearing black safety glasses and has a determined, intense expression. Several strands of barbed wire are stretched across the trench in front of him. The background shows a hazy, outdoor environment.

WARRANTIES

1] Wiley X Non-Prescription Eyewear – Limited Lifetime: Wiley X, Inc. warrants non-prescription Wiley X eyewear to be free of manufacturing defects in materials or workmanship for the life of the original purchaser, with the following exceptions:

- Youth Force™ eyewear is warranted against defects in materials or workmanship for a maximum period of 2 years.
- LA™ Light Adjusting lenses are warranted against defects in materials or workmanship for a maximum period of 18 months (proof of purchase for LA™ Light Adjusting lens products required).

Licensed Brands:

- Remington® by Wiley X, Inc. products are warranted against defects in materials or workmanship for a maximum period of 1 year.
- John Deere® eyewear by Wiley X, Inc. (US and Canada only) is warranted against defects in materials or workmanship for a maximum period of 1 year.

2] Prescription Eyewear Frames: Wiley X, Inc. warrants Wiley X and John Deere® frames filled by Wiley X authorized prescription laboratories to be free of manufacturing defects in materials or workmanship for a period of 1 year. Prescription frame and lens warranties must be handled through the local retailer or dispensing optician from which they were originally purchased. Prescription lens manufacturing defects are covered by the lab who originally dispensed them. Proof of purchase required.

3] Gloves: Wiley X, Inc. warrants gloves to be free of manufacturing defects in material or workmanship for a maximum period of 2 years.

4] Remington® by Wiley X, Inc. Hearing Protection: Wiley X, Inc. warrants Remington® by Wiley X, Inc. hearing protection products to be free of defects in materials or workmanship for a maximum period of 1 year.

Scope of Coverage: Wiley X will repair or replace covered items at the sole discretion of Wiley X, as needed and as available (identical or equivalent style) at no charge. Out of warranty items may be repaired (if repairable), replaced, returned or destroyed, at the option and sole expense of the purchaser. Exclusions: This warranty does NOT extend to and excludes (i) any and all Wiley X products purchased through Amazon, Ebay or any non-authorized 3rd party websites, dealers or labs (ii) damage resulting from normal wear and tear, including but not limited to scratched lenses and broken frames, hinges and nose pieces, (iii) damage resulting from abuse or misuse, (iv) damage resulting from tampering or customer modification, (v) damage resulting from exposure to harmful substances, elements or conditions, (vi) other damage to covered items not resulting from a manufacturing defect in materials or workmanship as Wiley X shall decide in its sole discretion, or (vii) lost or stolen items. Proof of purchase is required.

How to Process a Warranty Claim for Repair or Replacement of Covered Items:

A. IN THE UNITED STATES: Please complete the online warranty claim form located online at: www.wileyx.com/about/support/warranty. After proper completion of the online warranty claim form, Wiley X will provide you a Return Authorization (RA) number. Print the completed online warranty claim form (including the RA number) and send the warranty claim form along with the covered item and proof of purchase to: Wiley X, Inc., Attn: Returns Department, 7800 Patterson Pass Road, Livermore, CA 94550. Please use a traceable shipping method (Wiley X is not responsible for lost, stolen or damaged shipments) and allow 7-10 business days from our receipt of the package to process your warranty claim.

B. OUTSIDE THE CONTINENTAL U.S.: Please contact the Wiley X, Inc. Authorized Dealer nearest you for instructions. If you cannot locate a Wiley X, Inc. Authorized Dealer, please email warrantyclaim@wileyx.com for instructions.

For covered items and for full text of this warranty, please see:

www.wileyx.com/about/support/warranty

RETURNS AND EXCHANGES

Returns and exchanges will not be accepted without receiving prior authorization to include an assigned return authorization number. For every one item returned, at least one item must be purchased. Returns must be in resalable condition, as determined by Wiley X for product not discontinued longer than six months. All returns must be shipped prepaid from point of origin, unless prior arrangements have been made. No COD returns accepted. New orders resulting from exchanges will be shipped upon receipt of returned merchandise unless other arrangements have been made with Wiley X. Customers are responsible for all shipping charges, both inbound and outbound. Returns should be sent attention: RETURNS DEPARTMENT.

TERMS AND CONDITIONS

All Wiley X models may be combined when compiling a quantity order. Extreme care is taken when packaging all products we ship. If a discrepancy occurs, a claim should be made immediately.

Standard Terms: NET30 (upon credit approval); COD Invoices incur minimal shipping and handling fee; Credit Card (Visa, Master Card, Discover, American Express).
